New skate package by Sure-Grip includes the Rebel boot, Invader plate, New DA-45 trucks, Fugitive wheels, and QUBE juice bearings. Plate will be powder coated black to give a stealth illusion. As you can see this skate package is an old school forward mount using a smaller plate with just the right wheel base to produce an unbelievable skating experience. Package has been specially designed by you the customer and we are proud to offer it. This is only the beginning of the long list of new products that we intend to bring out this skating year. We will continue to update you as time goes on regarding new products. Please follow us on our new facebook page if you are not already doing so. If you have any questions regarding this new product please let us know and we would be happy to answer them.
